CONTENTS

Introduction	i
About the Manual	iii
Target Group	v
Objectives of the Training	vi
Expected Outcomes	vii
How to use this manual	viii
Module 1 - Water in the Environment	01
• Water & its Importance	01
• Climate & Water	04
• Sources of Water	07
• Hydrological Cycle (Water Cycle)	15
Module 2 - How Much Water	21
• River Basins of India	21
• Water Scarcity	28
• Water Availability	33
• Water Uses & Demand	35
Module 3 - Extreme Events and Disasters	41
• Water Related Extreme Events & Disasters	41
• Disaster Prone Areas in India	48
• Mitigation of Disasters	51
• Soil Erosion by Water	61
Module 4 - Water Pollution	67
• Water Pollution & Human Health	67
• Water Quality Issues in India	75
• Sources of Pollution	77
• Wastewater: Treatment & Reuse	80
• Purification: Domestic & Community Level	84
• Demonstration of Water Quality Testing	90

CONTENTS

Module 5 - Water Auditing	105
• Water Audit	105
• Virtual Water	107
• Water Foot Print	107
Module 6 - Water Management	113
• Water in Watershed	113
• Water Security	116
• Integrated Water Resource Management (IWRM)	117
• Participatory Approach In Water Management	122
Module 7 - Water Conservation	127
• What Is Water Conservation	127
• Water Conservation in Ancient India	130
• Water Conservation Methods - Information Requirement	140
• Water Conservation Tips - Do's & Don'ts	144
Module 8 - Water Conservation Techniques	151
• Rain Water Harvesting (RWH): Need, Basics And Advantages	151
• Use of Harvested Water	154
• Recommended Structures	155
• Sample Estimation of Harvested Rainwater	161
• Farm Pond	162
• Example of Design of a Farm Pond	163
Module 9 - Technologies for Water Conservation & Management	167
• Need	167
• What Can Be Done	168
• Technologies & Practices	169
• Rainwater Harvesting (RWH)	170

CONTENTS

Module 10 - Traditional Knowledge & Learning	181
• Games & Do-it-yourself Activities	181
• Singing & Narrating Water	198
• NIH Jal Stuti	204
Module 11 - Some Success Stories	207
• Ralegan Siddhi	207
• Hivre Bazar Village	209
• Andhra Pradesh Farmer Managed Groundwater System	210
• Rainwater Harvesting In Chennai City	211
• System of Rice Intensification (SRI)	213
Module 12 - Water Related Schemes and Programs	219
• Water Related Schemes of Government of India	219
• Water Related Programs of Unesco	221
• Role of Women in Water Conservation	225
Module 13 - Field Exposure	229
• Field Visit	229
• Module 14 - Evaluation	233
• Preparations	233
• Steps	233
• Course Evaluation Sheet	234
List of Annexures	236
• List of Av-clips	236
• Training Schedule	240
