

## Acknowledgements

The International Conference on Water, Environment, Energy and Society (WEES-2009) was organized by the National Institute of Hydrology, Roorkee, on behalf of the Ministry of Water Resources, Government of India. It was sponsored by a number of organizations. The sponsors offered financial support to the conference, without which the conference would not have come to fruition. Their financial support is gratefully acknowledged.

A large number of individuals have helped in preparation of the proceedings of the WEES conference. Technical papers to the conference were reviewed by the members of the editorial board as well as some Scientists of NIH. Several staff members of NIH helped with checking the formatted papers. Publication staff at the Allied Publishers were helpful and have brought out the proceedings well in time. Editorial Board thanks all the associated people for their help and support.
