

**Training Course on**  
**HYDROLOGICAL INVESTIGATIONS**  
**FOR**  
**CONSERVATION AND**  
**MANAGEMENT OF LAKES**

**1-3 March 2011, Roorkee**

**NATIONAL INSTITUTE OF HYDROLOGY**  
**ROORKEE-247667 (UTTARAKHAND)**

Training Course on  
**HYDROLOGICAL INVESTIGATIONS FOR  
CONSERVATION AND MANAGEMENT OF LAKES**  
(1-3 March 2011 at Roorkee)

**LECTURE NOTES**

**Compiled and Edited by  
Dr. S. D Khobragade**

**Organized by**

**NATIONAL INSTITUTE OF HYDROLOGY  
ROORKEE- 247667 (UTTARAKHAND)**

**Training Course on  
HYDROLOGICAL INVESTIGATIONS FOR  
CONSERVATION AND MANAGEMENT OF LAKES  
(1-3 March 2011 at Roorkee)**

## **Training Course Organisers**

Director	Er. R. D. Singh
Division	Hydrological Investigations Division
Divisional Head	Dr. Bhisim Kumar, Sc-F
Course Coordinator	Dr. Suhas D. Khobragade, Sc-E1
Course Co-Coordinator	Dr. S. P. Rai, Sc-E1

**National Institute of Hydrology  
Roorkee- 247667 (Uttarakhand)**

## TABLE OF CONTENTS

S. N.	TOPIC OF LECTURE	PAGE NO. (From-To)
1.	Introduction to lakes and lake processes - <b>Dr. S. D. Khobragade</b>	1-20
2.	Basics of isotopes and applications in hydrology and water resources - <b>Dr. Bhishm Kumar</b>	21-38
3.	Water balance of lakes - <b>Dr. S.P. Rai and Dr. Bhishm Kumar</b>	39-58
4.	Instrumentation for lake studies - <b>Dr. V. C. Goyal</b>	59-74
5.	Hydro-geological aspects of lakes and lake-aquifer interaction - <b>Dr. Sudhir Kumar</b>	75-84
6.	Lake water quality: monitoring and assessment - <b>Dr. C. K. Jain</b>	85-107
7.	Sedimentation studies using isotope techniques - <b>Dr. S. P. Rai and Dr. Bhishm Kumar</b>	109-124
8.	Water quality modelling of a lake - <b>Dr. N. C. Ghosh</b>	125-136
9.	Remote sensing and GIS applications in lake studies - <b>Dr. Sanjay Jain</b>	137-147
10.	Isotopes in lake management – a case study of Lake Nainital, Kumaun Himalayas, Uttarakhand - <b>Dr. Bhishm Kumar</b>	149-170
11.	Hydrological investigations for conservation of lakes: a case study of Lake Mansar, Jammu and Kashmir - <b>Dr. S. P. Rai</b>	171-184
12.	Hydrological investigations for conservation of lakes: A case study of Lake Pichhola, Rajasthan - <b>Dr. S. D. Khobragade</b>	185-206
13.	Conservation and management of lakes : A review of techniques for controlling eutrophication - <b>Dr. S. D. Khobragade</b>	207-
