

**Training Course on**  
**HYDROLOGICAL INVESTIGATIONS FOR**  
**CONSERVATION AND**  
**MANAGEMENT OF LAKES**

**26-28 March 2012, Roorkee**

**NATIONAL INSTITUTE OF HYDROLOGY**  
**ROORKEE-247667 (UTTARAKHAND)**

**Training Course on**

**HYDROLOGICAL INVESTIGATIONS FOR  
CONSERVATION AND MANAGEMENT OF LAKES  
(26-28 March 2012 at Roorkee)**

**LECTURE NOTES**

**Compiled and Edited by  
Dr. S. D Khobragade**

**Organized by**

**NATIONAL INSTITUTE OF HYDROLOGY  
ROORKEE- 247667 (UTTARAKHAND)**

**Training Course on  
HYDROLOGICAL INVESTIGATIONS FOR  
CONSERVATION AND MANAGEMENT OF LAKES  
(26-28 March 2012 at Roorkee)**

**Training Course Organisers**

Director	Er. R. D. Singh
Division	Hydrological Investigations Division
Divisional Head	Er. C. P. Kumar, Sc-F
Course Coordinator	Dr. Suhas D. Khobragade, Sc-E1

**National Institute of Hydrology  
Roorkee- 247667 (Uttarakhand)**

## TABLE OF CONTENTS

S. N.	TOPIC OF LECTURE	PAGE NO. (From-To)
1.	Introduction to lakes and lake processes <b>- Dr. S. D. Khobragade</b>	1-20
2.	Introduction to isotopes and isotope applications to lake studies <b>- Dr. M. Someshwar Rao</b>	21-38
3.	Water balance of lakes <b>- Dr. S.P. Rai and Dr. Bhishm Kumar</b>	39-58
4.	Hydro-geological aspects of lakes and lake-aquifer interaction <b>- Dr. Sudhir Kumar</b>	59-68
5.	Lake water quality: monitoring and assessment <b>- Dr. C. K. Jain</b>	69-92
6.	Evaporation from lakes <b>-Dr. S. D. Khobragade</b>	93-100
7.	Sedimentation studies using isotope techniques <b>- Dr. S. P. Rai and Dr. Bhishm Kumar</b>	101-116
8.	Remote sensing and GIS applications in lake studies <b>- Dr. Sanjay Jain</b>	117-128
9.	Water quality modelling of a lake <b>- Dr. N. C. Ghosh</b>	129-140
10.	Conservation and management of lakes : A review of techniques for controlling eutrophication <b>- Dr. S. D. Khobragade</b>	141-156
11.	Isotopes in lake management – a case study of Lake Nainital, Kumaun Himalayas, Uttarakhand <b>- Dr. S. P. Rai and Dr. Bhishm Kumar</b>	157-178
12.	Hydrological investigations for conservation of lakes: A case study of Lake Pichhola, Rajasthan <b>- Dr. S. D. Khobragade</b>	179-200
13.	Web based information system for major and important lakes in India <b>-Smt. Deepa Chalisgaonkar</b>	201-206
14.	Hydrological investigations for conservation of lakes: a case study of Lake Mansar, Jammu and Kashmir <b>- Dr. S. P. Rai</b>	207-220
