

PROCEEDINGS
VOLUME-II

SEMINAR
ON
GROUND WATER HYDROLOGY

(JULY 17-18, 1992)

NEW DELHI

आपो हि पत्य संयोधुः

CONDUCTED BY

NATIONAL INSTITUTE OF HYDROLOGY
JALVIGYAN BHAWAN

ROORKEE - 247 667 (UP)

PROCEEDINGS
VOLUME-II

SEMINAR
ON
GROUND WATER HYDROLOGY

(JULY 17-18, 1992)

NEW DELHI

Financial Support provided by
USAID under WRM&T Project

आपो हि ज्ञा सधोभुः

CONDUCTED BY

NATIONAL INSTITUTE OF HYDROLOGY
JALVIGYAN BHAWAN

ROORKEE - 247 667 (UP)

CONTENTS

S.No.	Title	Authors	Page No.
1.	Analysis of Pumping Test Data on Large Diameter wells using Optimization Technique	V.S.Singh & C.P.Gupta	1
2.	Characterization of Groundwater Recharge in a Crystalline Watershed through Recharge Process and Groundwater Flow Models	T.Narsimha Reddy P. Prakasam G.V.Subrahmanyam P.V.Prakash Goud V.V.S.Gurunadha Rao C.P.Gupta	7
3.	Data Base Management - Retrieval of Groundwater Level Fluctuation Data	K.J. Anandhakumar & S. Das	23
4.	Ground Water Evaluation in Jawai Catchment, Western Rajasthan	J.L. Bohra	31
5.	Simulation Model of Ground Water System of Lakhaoti Branch Command	A.S. Chawla & O.A.E. Ahmed	71
6.	Conjunctive Use of Surface and Groundwater in India	R.S.Saksena	89
7.	Groundwater Development and Management - A national Perspective	R.K. Prasad	121
8.	Role of Numerical Methods in Analysis of Pumping Test Data From Unconfined Aquifers	Deepak Kashyap, M K Hamoudi & T D Wickramaratna	129

ABSTRACTS

- | | | | |
|-----|--|--|-------------|
| 9. | Data Base Management for Long Term Ground Water Level Trends
Uttar Pradesh | R.P.Agarwal
J.N. Rai &
Nusrat Zaidi | 11.6
143 |
| 10. | Ground Water Resource Potentials and management Strategy of Unconfined Aquifers of Morigaon District, Assam State | P.J.S.Bhamrah | 145 |
| 11. | A Study on Disposition of Aquifer System, Chemical Quality Variation and Scope for further Groundwater Development in Kanpur district, Uttar Pradesh | R.P.Agarwal
&
Abrar Hussain | 147 |
| 12. | Water Balance Studies in Maharashtra | K.G. Welekar | 11.6
149 |
| 13. | Percolation Tanks, A Case Study for Groundwater Recharge | K.G.Welekar | 151 |
| 14. | Water Balance Studies in a Canal Irrigation Area of Punjab for Estimation of Ground Water Resource | S.K.Sondhi
Pritpal Singh
A.K.Jain
D.S. Taneja | 153 |
| 15. | Modelling of Stream-Aquifer Interaction in a part of Hindon Basin | C.P.Gupta
Shakeel Ahmed
V.V.S.Gurunadha Rao | 155 |
