

**SPECIAL GROUP TRAINING PROGRAMME
ON
HYDROLOGICAL MODELLING AND GIS**

(May 26-June 06, 2014)

**FOR
UNFAO and Ministry of Energy & Water Staff, AFGANISTAN**

**ORGANISED BY
NATIONAL INSTITUTE OF HYDROLOGY, ROORKEE
&
INDIAN ASSOCIATION OF HYDROLOGISTS (IAH)**

SPECIAL GROUP TRAINING PROGRAMME

ON

HYDROLOGICAL MODELLING AND GIS

(May 26-June 06, 2014)

FOR

**UNFAO and Ministry of Energy & Water Staff,
AFGANISTAN**

ORGANISED BY

NATIONAL INSTITUTE OF HYDROLOGY, ROORKEE

&

INDIAN ASSOCIATION OF HYDROLOGISTS (IAH)

CONTENTS

| Lec.No. | Title | Author |
|----------------|--|--------------------|
| 1 | Hydrologic cycle and water balance | Dr. Sharad K.Jain |
| 2 | Principles of Remote sensing & image interpretation | Dr. Sanjay K. Jain |
| 3 | Introduction to Geographical Information Systems | Dr. R. D. Garg |
| 4 | Creation of data base in GIS: Landuse/cover and DEM | Dr. Sanjay K. Jain |
| 5 | Ground investigations in support of remote sensing | Dr. R. D. Garg |
| 6 | Introduction to Hydrologic modelling | Dr. Sharad K..Jain |
| 7 | Calibration and validation in hydrologic modeling | Dr. Sharad K..Jain |
| 8 | Rainfall Runoff modeling using remote sensing and GIS | Dr. A. K. Lohani |
| 9 | Rainfall Runoff modeling using NAM Model | Dr. M. K. Goel |
| 10 | Flood plain zoning using remote sensing and GIS | Dr. Rakesh Kumar |
| 11 | SCS-CN method | Dr. S. K. Mishra |
| 12 | Remote sensing applications in Reservoir sedimentation studies | Dr. Sanjay K.Jain |
| 13 | Soil erosion and sediment yield modelling | Dr. J. V. Tyagi |
| 14 | Hydrological Modelling Using VIC | Dr. Vaibhav Garg |
| 15 | SWAT – theoretical aspects | Dr. J. V. Tyagi |
| 16 | Application of remote sensing and GIS in groundwater studies | Dr. Sudhir Kumar |
| 17 | Snow cover mapping and snowmelt runoff modelling | Dr. Sanjay Jain |
| 18 | Watershed Management Using Remote Sensing and GIS | Dr. M. K. Jain |
| 19 | Introduction to Climate change | Dr. Sharad K Jain |
